

defendAir is designed to be user-friendly, easy to implement with any existing procedures and protect & assist aircrew in their duties.

Enhance Security

Reduce Losses

Cut Costs

Decrease Waste

Monitor Activity

Deter Theft

DefendAir - Cabin Crew Benefits

- Integrates seamlessly with existing crew and airline procedures
- Compatible with current airline and customs paperwork
- Simple to use, straightforward single button operation
- Easy to read backlit LCD display
- Seal number displayed permanently, or 'OPEN' displayed as a reminder to lock the cart when not in use
- Identifies instantly when a break in has occurred or been attempted
- Additional level of security for the crew and their passengers
- Virtually eliminates false accusations of crew theft, as time & date of attacks and opening of container are recorded.
- More robust than fragile plastic seals
- If seal is damaged or in the unlikely event of a failure, the cart is still useable and can be sold from
